Alcohol and Drug Program Administration

SUBJECT: **FUNDING ADJUSTMENT FOR WESTERN PACIFIC MED-CORP,
CONTRACT NO. H-701171**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for Western Pacific Med-Corp. using the delegated authority granted by approval of Board Agenda Synopsis # 42, May 31, 2005. This agency's agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of Public Health or his designee to make such funding changes.

I am recommending this funding adjustment based on the Sobky v. Smoley court litigation where agencies are allowed to request funds to cover additional persons eligible for Drug/Medi-Cal services. The current and proposed funding amounts are as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment

Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.

Narcotic Treatment Program Services (Federal Drug/Medi-Cal)

Narcotic treatment program services provide for the administration of methadone and/or levoalphacetylmethadol, at relatively stable dosage levels for a period in excess of 21 days, as an oral substitute narcotic drug accompanied by ancillary social and medical services for individuals 18 years or older who have a history of two or more years of dependence on heroin or other morphine-like drugs, and two or more failures in alternative treatment programs. Services are provided to Medi-Cal eligible beneficiaries.

WESTERN PACIFIC MED-CORP
